## Ten by Ten Quiz - Answers

Thank you to all those who took part in this quiz. I hope you enjoyed doing it even if some of you had to rack your brains a little harder than normal. Here are the answers:

Films - Which movies begin with the opening lines...?

1. "She isn't coming yet, Toto" - The Wizard of Oz (Dorothy speaking to her dog)
2. "I never knew the old Vienna, before the war." - The Third Man
3. "I owe everything to George Bailey. Help him, dear Father." - It's A Wonderful Life
4. "Did you hear that? They shut down the main reactor. We'll be destroyed for sure." - Star Wars (C3PO panicking as usual)
5. "Radar!" - $\mathbf{M}^{*} \mathbf{A}^{*} \mathbf{S}^{*} \mathbf{H}$ (Colonel Blake summoning Corporal O’Reilly)
6. "Rosebud." - Citizen Kane (whose final dying word begins the film)
7. "Choose Life. Choose a job. Choose a career. Choose a family." - Trainspotting (I stopped quoting before reaching the f-word)
8. "Here you are, sir, Main level D." - 2001 A Space Odyssey (after a long section about a tribe of apes and a not-quite-so-long spaceship docking sequence the first words are very banal and spoken by a stewardess)
9. "He was the most extraordinary man I ever knew." - Lawrence of Arabia
10. "The white zone is for immediate loading and unloading of passengers only." - Airplane! (the opening salvo of a running gag where the announcers argue with each other)

Geography - In which country would you find...?
11. The Sphinx - near the pyramids in Egypt
12. The terracotta army - the life-size clay soldiers are in China
13. The Nasca Lines - a series of huge ancient designs on the landscape in Peru
14. Wenceslas Square - Prague in the Czech Republic (named after the saintly monarch)
15. Timbuktu - a city in Mali
16. The world's tallest waterfall - Angel Falls in Venezuela
17. Mount Kosciuszko - the highest mountain in Australia
18. Treetops Hotel - Kenya (where Princess Elizabeth became Queen Elizabeth II)
19. The first landfall if sailing due West from Land's End, Cornwall - Newfoundland, Canada
20. The first landfall if sailing due East from the Falkland Islands - there is no land on the same latitude until you sail almost the entire way round the world and reach Chile (There is some dispute over whether you would hit the Campbell Islands, belonging to New Zealand, but as best as I can judge the Falkland Islands are all above latitude 52 degrees 30 minutes South and the Campbell Islands all below that latitude.)
